

Student Council information

What roles are there in the Student Council?

Chair is someone that will lead the group with what will be discussed and work towards solving the issues made. The chair sets the agenda and goes through it.

A vice chair is someone who will take the position of the chair when absent.

A secretary is someone who will write the agendas, email them before the meeting days, write the minutes down for the last discussion and write anyone that will help with your queries.

A representative is someone who will bring issues forward from classmates, as well as good ideas.

All positions will be voted for, anyone can join in and become a rep to improve the college. Every student's voice and opinions count.

How to sign up

Sign up sheets should be on Moodle, Canvas and Google Classroom, which are available to download.

You can email the sign up sheet to:

iesha.heads@sunderlandcollege.ac.uk

The sign up dates are between Thursday 24th September and Thursday 8th October. If you change your mind later on, then you can become a rep at any time. If there is multiple people that want to have one of the voting positions, then voting will begin on the 12th October and will end on the 16th October. The winners will be announced on the 19th October at 3:00pm, if the position needs to be voted in.

Head over to reception or your personal development tutor for a student council form.

Students Union Twitter

Follow the Students Union page on Twitter @EPNEIesha. This is made just for students and you will receive all the updates you need to know about your College! The Students Unions' Twitter account will keep you up to date with any upcoming events in the college. There will be competitions to win Amazon gift cards and many more! There will also be planned trips and polls for you to decide what changes you would like to see around the college and many other important polls!

Why join the Student Council?

You will have an opportunity to discuss activities you would like to see outside of your classroom. You can raise concerns about the welfare of you and other students around the college. You can speak up to make a difference in your college!

What are the advantages?

You can make your ideas a reality, as you can change how things are in college. Plus being a part of the student council looks great on your CV!

What is the Student Council?

The student council is a group that allows you to speak about your college and how you can improve aspects of it for you, your peers and other students
